Complimentary Visitor & Convention Bureau Services For Film Productions

The Santa Maria Valley Visitor & Convention Bureau invites organizers to host your next tour, conference, meeting or tournament in our beautiful city. Let us show you our warm hospitality and the excellent customer service!

We are pleased to offer the following complimentary services while you are filming in our city. If there are additional services you need, we will do our best to make it happen!

Site Selection

Our Bureau is here to suggest suitable facilities and location sites based on your needs. If you let us know when you plan on visiting our area for a familiarization tour to aid you in site selection for your production, we will help make arrangements for your stay.

The Bureau is proud to offer an interactive DVD to introduce you to the Santa Maria Valley. You'll enjoy documentary-style footage, recipes, maps and interactive menus. We also offer a digital photo CD as well as a short video featuring the Valley's beautiful wine country, recreational activities, and other visitor information.

Official Letter of Invitation

Our Bureau will be happy to request an official letter of welcome from our Mayor to your group.

Planning

Bureau sales staff will obtain availability and rate information from local hotels for your cast and crew. There are over 1,000 hotel rooms in the City of Santa Maria! Our Bureau would be happy to provide resources and information to save you time and money. It is our goal to make your stay a pleasant one.

Sample Itineraries

We can provide itineraries to make the most of leisure time outside of filming hours.

Welcome Bags

The Bureau provides complimentary welcome bags for your cast and crew that contain small souvenir items and useful visitor information.
